Probable Cause:

Your complainant is an officer with the Milwaukee Police Department and his information is based upon the reports of Detective Mark Harms. Your complainant has relied upon those records and files in the past and has found them to be truthful and reliable.

On April 27, 2019, officers were dispatched to Saint Joseph's Hospital regarding a subject who arrived with a gunshot wound to the back. Officers spoke with victim, VAT, who stated that around 12:30pm he was parked in a Mazda SUV in front of his mother's address at 6452 N 52nd St., City and County of Milwaukee. According to VAT, the Mazda SUV belonged to his ex-girlfriend, MB., but she had allowed him to drive the vehicle.

While seated in the driver's seat of the Mazda, VAT observed MB and the above named defendant walk up to him. VAT knew the defendant as MB's new boyfriend and was able to identify him via photo array. The defendant had a black semi-automatic handgun in his hand and MB had a golf club in her hand. When the defendant yelled at VAT to get out of the vehicle, VAT attempted to drive away. The defendant then fired 4-5 times at VAT. The defendant realized he had been shot and was taken to the hospital. He suffered a 4 inch grazed gunshot wound to the back. Officers also viewed Ring surveillance video of the scene that mirrors VAT's statement. Officers recovered 14 9mm casings and 4 flattened bullets on scene.

While canvassing the area, officers observed a bullet hole in the second story of 5201 W. Mill Rd., City and County of Milwaukee. TKE, the homeowner, stated that he and his three children were home during the above incident. CME (05/08/2008) stated she was in her bedroom on her bed when a bullet entered the bedroom and hit her TV.
